

PILLOW MENU

Dear guest, we are pleased to inform you that you have a wide range of pillows at your disposal, FREE OF CHARGE, to make your stay all the more relaxing.

ANTI-STRESS LATEX (Firmness: Medium - High)

Great cervical comfort thanks to its molded and multiperforated latex core, which adapts perfectly to your neck, eliminating any pressure points and providing a pleasant, comfortable feeling. Recommended for people who sleep on their side. Thanks to its “Sanitized Ultra Freshness” treatment, it protects you against dust mites, bacteria, fungi, and bad odours. It provides adequate ventilation during sleep.

COOLING MEMORY FOAM GEL (Firmness: Medium - High)

Conforms perfectly to your neck and feels fresh thanks to the gel particles covering the entire pillow. Viscoelastic core. Recommended for people who sleep on their backs. Its gel has two purposes. On the one hand, it provides freshness and transpiration; and on the other hand, it reduces the amount of pressure on the cervical area. It reduces sweating.

ELF FIBER PILLOW (Firmness: Low)

Hypoallergenic, complete transpiration, lightweight, soft to the touch, not particularly hot and very adaptable. They have a great recovery capacity, springing back to their original shape without deforming. Recommended for people who sleep face down. They allow you to keep your neck level with your back, almost flat.

PILLOW MENU

100% PREMIUM NATURAL DOWN (Firmness: Medium)

Its core is made up of 50% goose down and 50% goose feathers. One of its most remarkable advantages is how soft it is compared to other pillows. Since this material is natural and lightweight, it allows air to circulate but it does not get too hot, it stays fresh through the night.

SPECIAL VISCOELASTIC (Firmness: Medium)

Its core is 100% viscoelastic. It provides a fresh, comfortable sleep. Hypoallergenic. High transpiration thanks to the 3D mesh on both sides.

**A good night's sleep is a pleasure
that you should enjoy to its fullest.**
